HOW THIS WORKS:

These files are being sent to you in JPEG and PDF formats, unless otherwise noted. You will need Adobe Reader to read the PDF files. If you do not have Adobe Reader, you can download it for free here: <http://get.adobe.com/reader/>

Instructions and usage recommendations for each file that you have purchased are listed below.

These files were designed to be printed by you on your home printer, or at your local print shop. Please be sure that the files are set to 100% resolution and that the "print actual size" option is selected on your printer to ensure that your items print out accurately.

For best results, be sure to select the "best" or "high resolution" option on your printer, and choose the appropriate paper setting. The designs are best printed on bright white, high-quality card stock or photo paper.

You may print the designs as many times as you'd like, I just ask that you respect my work and please do not copy, share, or redistribute them.

Once the designs are printed, simply cut them out and decorate! It's as easy as that.

HAPPY CELEBRATING, *jen*
